Remarks

Claims 13-29 are presented for the Examiner's consideration.

Pursuant to 37 C.F.R. § 1.111, reconsideration of the present application in view of the foregoing amendments and the following remarks is respectfully requested.

The amendments to claim 13 merely clarify the claims by specifying that the laminate comprises two layers, the first layer and the second layer. In addition, the claim 13 has been amended to recite that the first layer nonwoven web is unbonded, corrugated and subsequently bonded. Support for this claim limitation is found on page 14, lines 12-24 and in the Examples.
